Forks

The best in quality, reliability, and durability.

Forks

Our Offering:

CLARK® supplies forks that are best in quality, reliability, and durability. Fork specifications result from years of rigorous engineering design and testing and application experience that ensure product reliability, consistency, performance, and value.

- **We offer a complete range of forks for all types of applications and lifting capacities.**
- **Competitively priced.**
- **Our offering includes all type forks for all make forklifts, including:**

- ITA Hook Style Forks
- Shaft Mounted Forks
- Block Forks
- Lumber Forks
- Custom Made to Order Forks
- Carpet Forks

Note:

If you have more than 10% wear on your forks, you need to replace them. Neglected or abused forks can and will eventually fail. This can harm product and more importantly your colleagues.

Authorized CLARK® dealers carry genuine CLARK® and TOTALIFT® parts for all makes and models of forklifts. Combined with dependable service and support, we are a "one stop shop" for all your service needs.
