

TOTALIFT®

Oils & Fluids

Our fluids are blended to the highest standards.

Oils & Fluids

Our Offering:

TOTALIFT® offers a full line of engine, hydraulic, and transmission oils, brake fluids, and other lubricants to fill the demand of your equipment whatever the application may be.

- **Antifreeze**

All makes, all models.

Extended Life highly recommended. Good for up to 5 years or 5000 hours in the average forklift and 6 years or 600,000 miles in an over-the-road diesel truck.

- **Hydraulic Fluid**

Premium - high pressure, high speed applications.

AW - for use in systems employing high-performance pumps.

Unitac - all weather tractor fluid.

- **Transmission Fluid**

Heavy Duty Synthetic - for manual transmissions operating in severe service applications.

Heavy Duty - meets Caterpillar TO4, Allison C-4 specifications, as well as other requirements; improved cold weather ability to shift and quicker lubrication of transmission components.

- **Gear Oil**

EP - industrial gear applications; oxidation resistant.

High Performance - an extreme pressure gear oil designed to meet heavy duty demands; outstanding thermal stability for cleanliness and longer service life.

- **Engine Oil**

All Fleet Heavy Duty Diesel - foam protection; corrosion and rust inhibition.

Premium Engine (Diesel) - advanced lubricant protection; high temperature deposit control.

Premium Engine (Gas) - compatible with gasoline or alcohol fuels; additional friction modifiers for maximum horsepower; enhanced anti-foam system protects engine during extreme stress.

Full Synthetic Motor - protect against heat and sludge; maximize horsepower; provide longer lasting zinc/phosphorus anti-wear.
