# Rain Caps & Enclosures

***Great solutions for your customers  
who need some outdoor protection:***

- **Universal Overhead Shields**

Fits all forklifts.

Protection from debris, rain, and sun.

Comes in tinted anti-glare material.

To install, simply place on the top of overhead guard, pull down front of shield, and hook.

- **Rain Cap Forklift Covers**

Reasonably priced protection from rain, snow, dust, and sun.

Many sizes available to fit various trucks, in clear and tinted versions.

Unique domed top and side channels which keeps water from collecting overhead, and channels water away from the operator.

This rigid vacuum formed cap made of durable polycarbonate (1/8" thick) is designed to last.

- **Full Cab Enclosures**

The atrium attaches in seconds to any forklift.

Zippered doors can be shut or unzipped and folded back into place while working.

Freeze point flexibility.

Marine grade stitching.

Superclear material with UV yellow inhibitor.

- **Storage Cover**

Fits all lifts up to approximately 10,000 lbs.

Perfect for the yard or warehouse.

Easy access zipper.

Strong Durapel non rip fabric with anti-loft/anti-moister vents.

Sizing flags for secure fit and strong elastic bottom hem.
